Thomas P. Kane
Executive Director

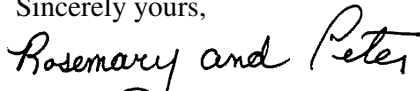

Dear Sponsors and Golfers:

CranstonArc will host its **16th Annual Golf Tournament** at Cranston Country Club on **Friday, August 28, 2009**. Rosemary and I are co-chairing the tournament again this year to express our gratitude for the comprehensive services our son, Richard, has received from CranstonArc for the past 12 years—first at the Cornerstone School Program and now at the Community Day Program. We are grateful that Richard receives such quality services from the skilled and committed personnel at CranstonArc. Proceeds from the annual golf tournament help offset the increasing costs associated with the services that CranstonArc provides for more than 400 individuals with developmental disabilities and their families who rely on their daily programs.

Last year the tournament generated almost \$40,000. Our goal this year is \$45,000 to help strengthen services and supports to people with disabilities. We hope that you will join us on August 28. There are many ways to participate—you can play golf, be a sponsor, advertise in the program book, donate a raffle or auction item, or give a monetary contribution. In these critical economic times, your participation is more important than ever as CranstonArc's services are directly affected by the reductions in state and federal funding.

I have enclosed participant information and sponsorship opportunities. We believe there is an opportunity for everyone to participate in this event, and whichever way that you choose will help make this annual event a success. Plan to get three of your friends or family together and make it a foursome! If you have any questions or need any additional information, please call Beverly Tulino at 401-941-1112, Extension 133 or send an e-mail to btulino@cranstonarc.org. As always, we are grateful for your support and look forward to making the **16th Annual CranstonArc Golf Tournament** the most fun and the most successful so far. ***Your participation will make all the difference!***

Sincerely yours,

Rosemary and Peter Rotelli
